| <b>Easy Flexible Registration System Conducive to Year-round Recruitment</b> <ol style="list-style-type: none"> <li>1. Fill out online registration form and e-transfer annual or semi-annual club fees</li> <li>2. BCWPA will send a fillable PDF for your registrar to list members</li> <li>3. Based on the membership list and categories, BCWPA will set up a payment plan for fees</li> </ol> <p><b>Example:</b><br/>           The Tofino Surfriders register a team in January and e-transfer \$100 team registration fee to BCWPA<br/>           BCWPA sends the club a fillable PDF to list members<br/>           The Surfriders register 40 members @ \$30 each January to August = \$1200<br/>           BCWPA sets up a 6-month payment plan @ \$200 per month, making it easier on the club to recruit, and to pay incrementally instead of all at once. BCWPA <i>advances</i> the registration fees essentially.</p> <p><b>Adjustments:</b><br/>           Any time the Surfriders register more members, the registrar simply sends an adjustment report via email with names. BCWPA updates their membership PDF and adjusts the monthly rates of payment going forward accordingly.<br/>           At the end of the season, there is a final reconciliation, which with this system will net a minimal adjustment if any.</p> |       |  |   |
