BCWP TOURNAMENT SANCTIONING TERMS AND CONDITIONS

I have read and will abide by all of the rules and regulations governing sanctioned events, specifically:

- All BCWPA Sanctioned Events shall have referees whose training and level of qualification is consistent with the nature of the event and the level of competition
- Club tournament organizer must ensure that all participating athletes and members are in good standing with BCWPA. This must be evidenced by: 1. a certificate issued from the BCWPA indicating their team’s member club is in good standing and 2. Registration of their team roster online in the Water Polo Canada database.
- Club tournament organizer must ensure all athletes members on any international team are in good standing with their home National Sport Organization. This must be evidenced by documentation of registering a team roster from their home National Sport Organization (NSO) indicating that the club and members are registered and are in good standing, usually in the form of a NSO Travel Permit.
- Immediately submit to BCWPA Detail of Injury Incidents if they occur.
- BCWP accepts no financial responsibility for the tournament or event.
- BCWP clubs and members must be offered the opportunity to enter your event, consistent with your competitive rules, on a non-discriminatory basis.
- I recognize that should a non-registered player or coach participate, my insurance coverage under BCWPA may be declared invalid. I further realize that BCWPA has the right to check registrations of all participants and may retroactively remove this event sanction should any violations be found. I agree to hold BCWPA harmless should such sanction be removed since I recognize that it is my responsibility to determine that all participants are appropriately registered.
- Tournament rules as described in the tournament package conform to BCWPA, and Water Polo Canada rules and regulations and FINA rules. Non-conformance to FINA rules must be explicitly stated.
